Do you know how the world works?

I have just turned forty and I still don't really know.

Our family business was a lumber shop, but I didn't really have a good idea of what my dad actually did, so when I was in high school I demanded he let me help, and that he pay me, but all I ended up doing was moving heavy timber around construction sites. Then I got a job at a boxed lunch store, but all I did was sprinkle black sesame on top of *inari-zushi* without having a clue about how much these boxed lunches cost or how much they'd be sold for. Then I started working at an Italian restaurant, but all I did was wash pans and make tomato sauce, and I couldn't figure out why my boss kept whacking me on the back of the head with the butt of a knife or trying to trip me. And now I'm a manga artist, but I still have no idea how a manuscript gets published and put in a bookstore. When I was younger, I felt nervous not knowing how the world worked, but now I just pretend to be in the loop and it doesn't bother me.

Well, it's one thing to think you're only a gear in the machinery when the world is at peace, but lately Japan has been beset with problems such as negative growth and pension shortage, not to mention all the controversy over the US military bases in Okinawa. And just when you're thinking how fragile Japan turned out to be once it lost its money, we get hit with tsunamis and nuclear disasters. It's ironic that as the world is going downhill I'm now starting to see how much the system that keeps it running sucks.

But still, I want to keep living in this country and yet all I can do is vote and participate in demonstrations and those sort of ordinary things. In my teens I may have said stuff like "down with the system!", but the truth is, I never destroyed anything. If the system sucks, then we need to be able to live without relying on it, and for that, we need to support each other. But that, too, comes with its own burdens and there are those who came to the city to escape that. Good grief! Anyway, you can't trust the government and the media, and all the research contradicts one another. You have to doubt everything and gather your own information and form your own opinions. It's not easy, but that's all you can do, and how stupid is *this* conclusion? Anyway, TV news pisses me off, so all I rely on these days is the radio and the Internet.

Chapter 57 | Eat Your Heart Out!

...there was no change in my class schedule.
...
I finished third in the Kanto Championship...
...but since it wasn't an extra-curricular activity...

I didn't even get a chance to catch my breath...

I spent a lot of time studying with my buddy Mitchi...

There's tons of stuff I want to do.

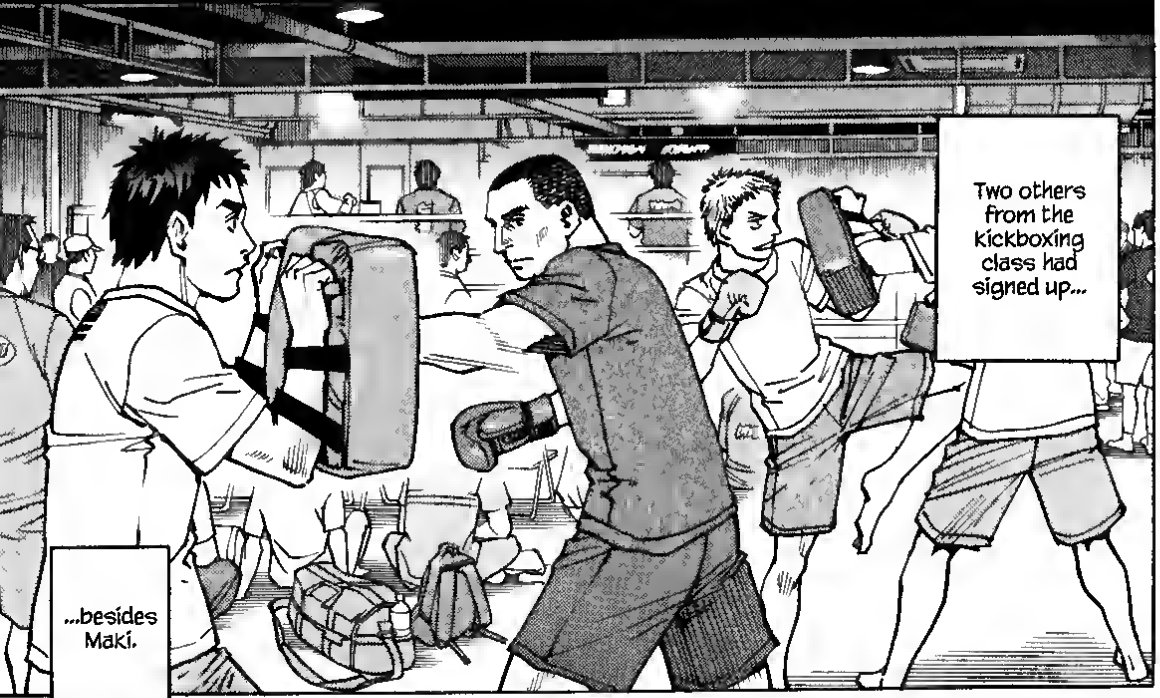
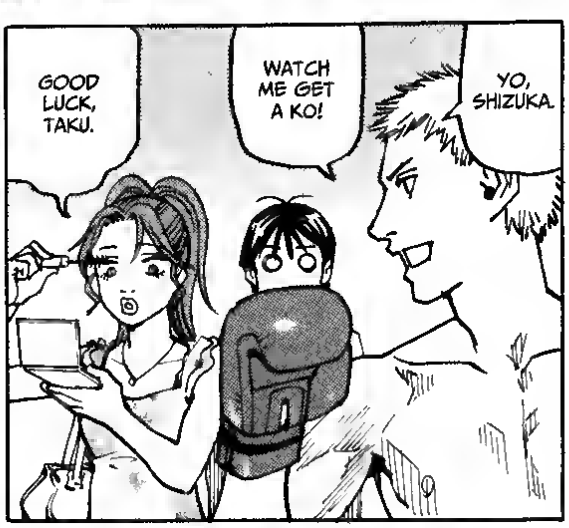
Chapter 58 | Amateur Kickboxing Tournament

And it was summer vacation.
Finally the horrible exam season was over.
Thank you, Mitch!
You're a life-saver!
Now I don't have to quit the gym!
...that Maki was partici-pating in.
WINDY
First up...
GOLD'S GYM
...there was an amateur one-match kickboxing tournament...



Two others from the kickboxing class had signed up...
...besides Maki.

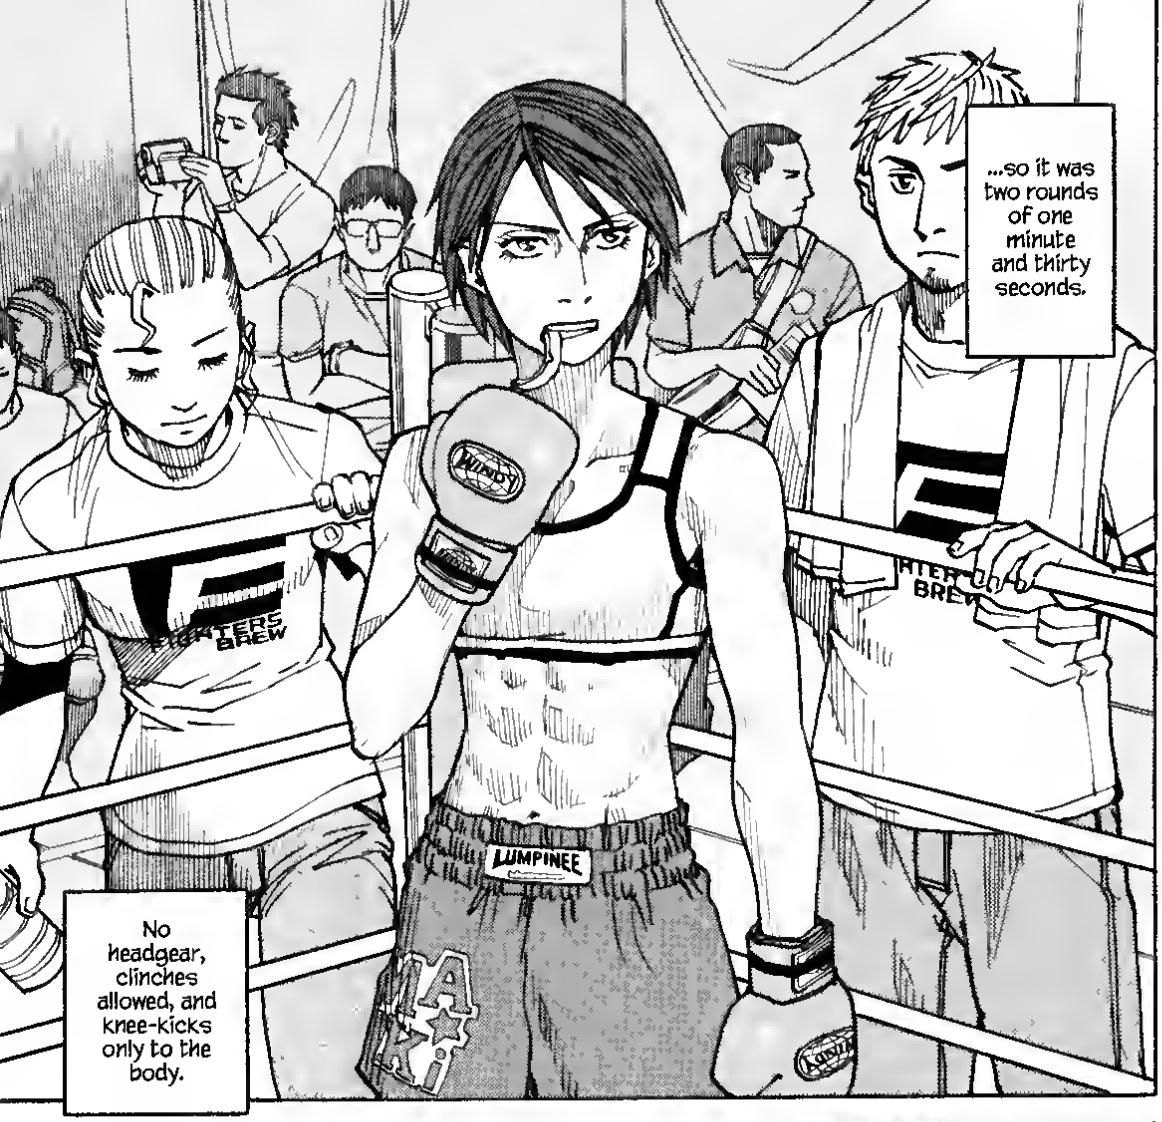
...
COME AT ME, BRO!
This was Takagi's first bout.
WHO D'YOU THINK YOU ARE, EH?!
Clearly it had never even occurred to him that he might lose.



GOOD LUCK, TAKU.
WATCH ME GET A KO!
YO, SHIZUKA.

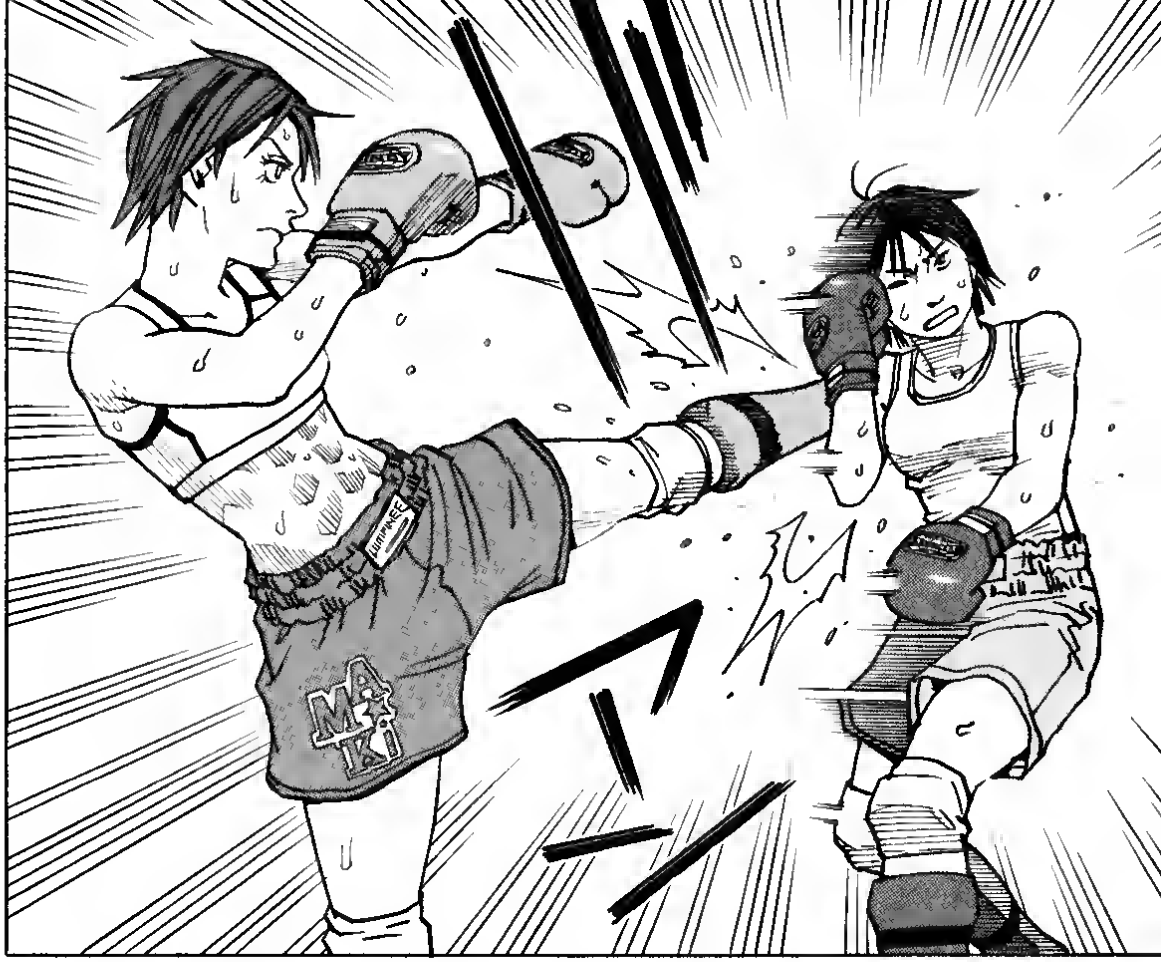
Waha ha ha ha
Match 12, bantam-weight division.
In the red corner with Fighters Brew, Takuya Takagi!
HTER BREW

...he got countered with a right hook...
...and was KO'd.
Takagi came out strong...
...but once he was in the fray...
FORGET ABOUT THAT MORON.
YOU'RE AMAZING, TAKU.
JUST WATCH MY REVENGE STORY, YO!
I'M GONNA KICK ASS NEXT TIME, YO!
I'M UP NEXT.
beep boop beep
FIGHTERS BREW
The rules for the amateur kickboxing tournament were different depending on the level of the contestants.
Maki was in the top amateur class...



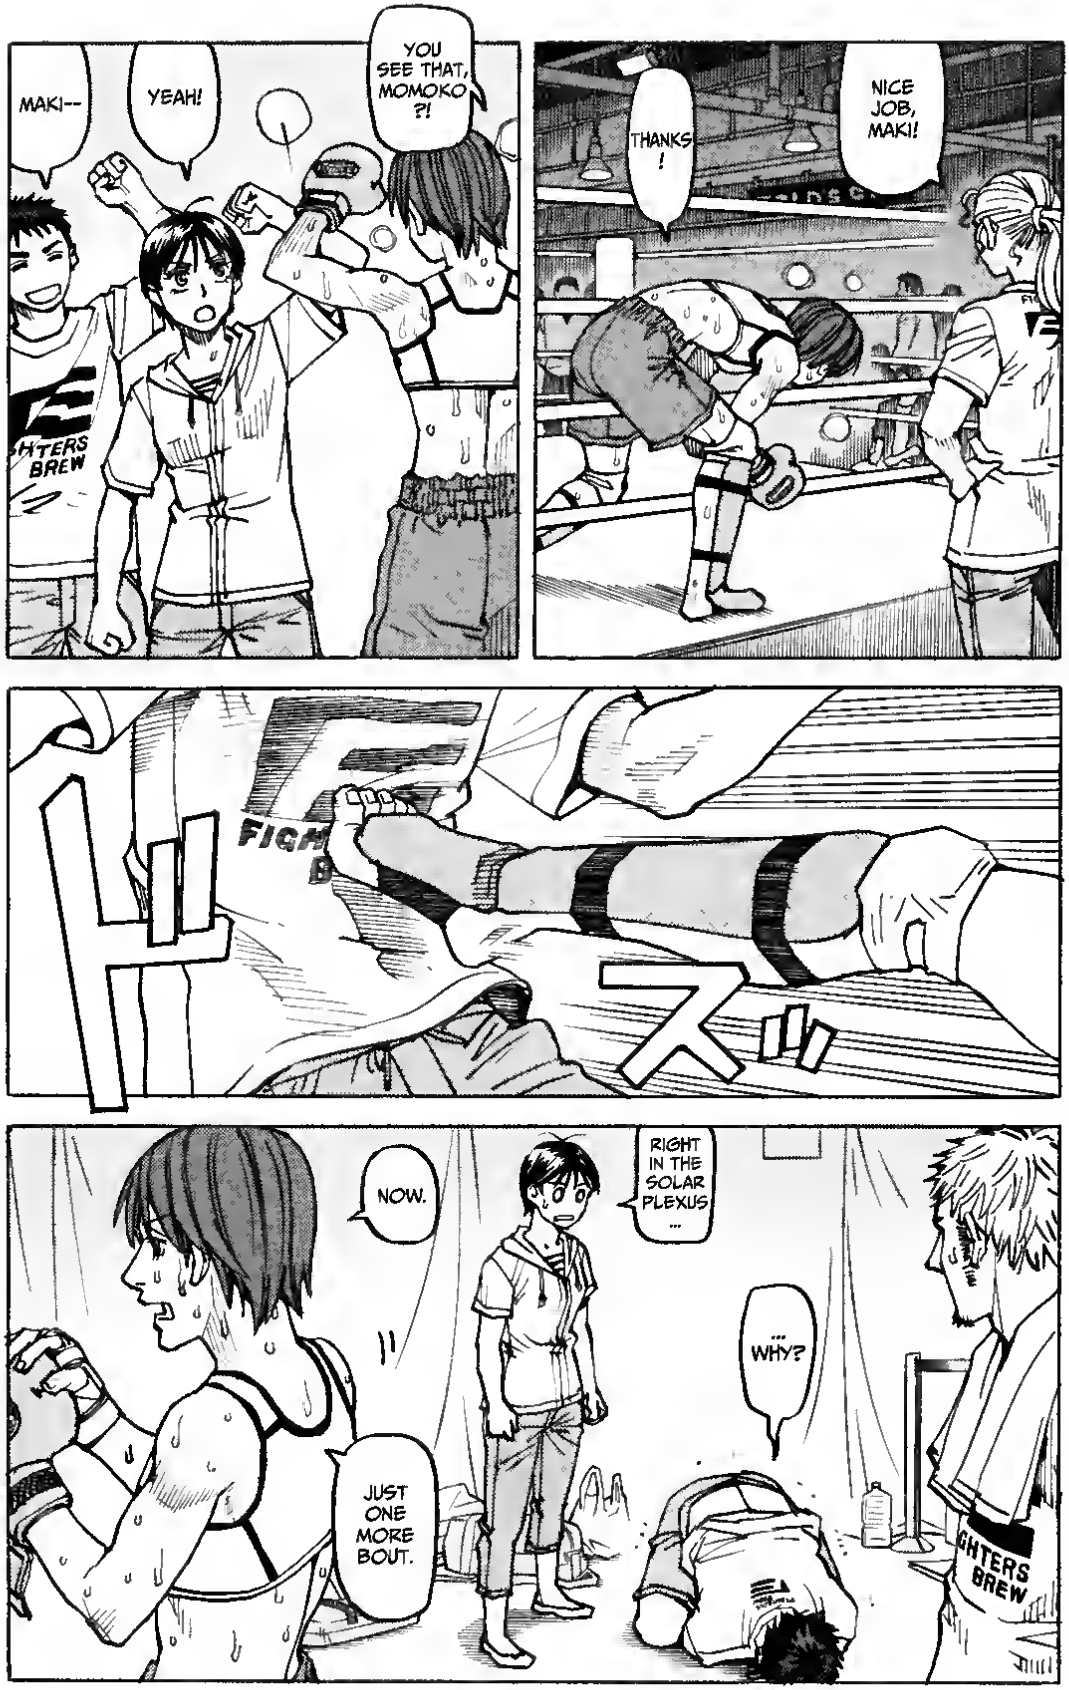
...so it was two rounds of one minute and thirty seconds.
No headgear, clinches allowed, and knee-kicks only to the body.
LUMPINEE

FIGHT!



Maki kept up a flurry of left middle kicks when her opponent backed down...
...and kneed her when she came in close.
THAT'S IT! WELL DONE!
DON'T LET YOUR GUARD DOWN!

ドス
In the second round she used the clinch...
...to drop her opponent repeat-edly...
カーン
...and ultimately won by KO.

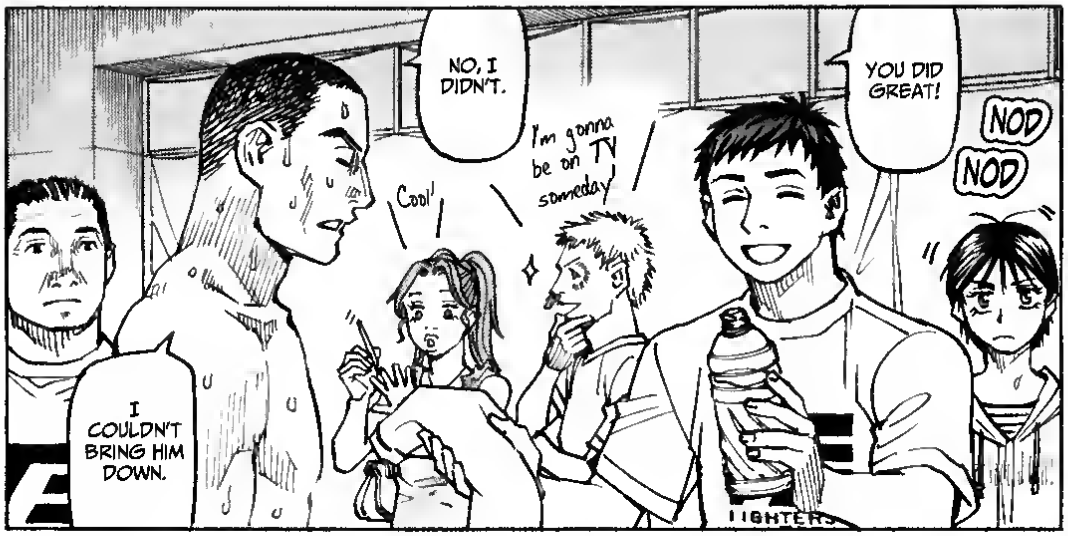


MAKI--
YEAH!
YOU SEE THAT, MOMOKO ?!
NICE JOB, MAKI!
THANKS !
FIGHTERS BREW
RIGHT IN THE SOLAR PLEXUS ...
NOW.
... WHY?
JUST ONE MORE BOUT.
FIGHTERS BREW

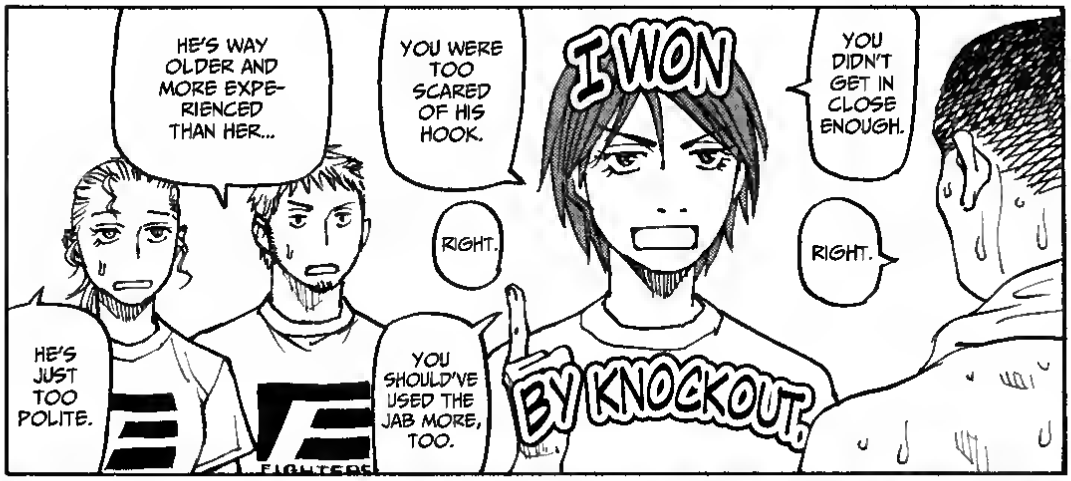
MEGURU, I NEED A BANDAGE!
OK!
Because there were only three entrants in the women's feather-weight division...
...Maki was going to be fighting two bouts in one day.
Also up was welterweight Keiji Mochizuki, age 35.
He started off in karate, but had nine years as an amateur kickboxer.

He's a government worker, so he won't be going pro.
OH, SURE!
PLEASE SPAR WITH ME.
He always spoke politely to me at the gym...
...even though I'm only in high school.
OK.
ALL RIGHT, I'M UP NEXT.
He still seems more like a karate-ka ...
...than a kick-boxer.
YOUR KIDS AREN'T COMING TO WATCH?
But aside from his days off...
...he trains like two hours a day.
THEY USED TO IN THE BEGINNING, BUT NOT ANYMORE...

He landed a straight right...
...but couldn't drop the other guy.
Mochizuki got in close with a leg kick...
...and cornered his opponent.
The winner is Mochi-zuki!
3-0, blue!
He won by deci-sion.



I COULDN'T BRING HIM DOWN.
NO, I DIDN'T.
YOU DID GREAT!
NOD
NOD
Cool!
I'm gonna be on TV someday!



HE'S JUST TOO POLITE.
HE'S WAY OLDER AND MORE EXPERIENCED THAN HER...
YOU SHOULD'VE USED THE JAB MORE, TOO.
RIGHT.
YOU WERE TOO SCARED OF HIS HOOK.
I WON
BY KNOCKOUT.
RIGHT.
YOU DIDN'T GET IN CLOSE ENOUGH.

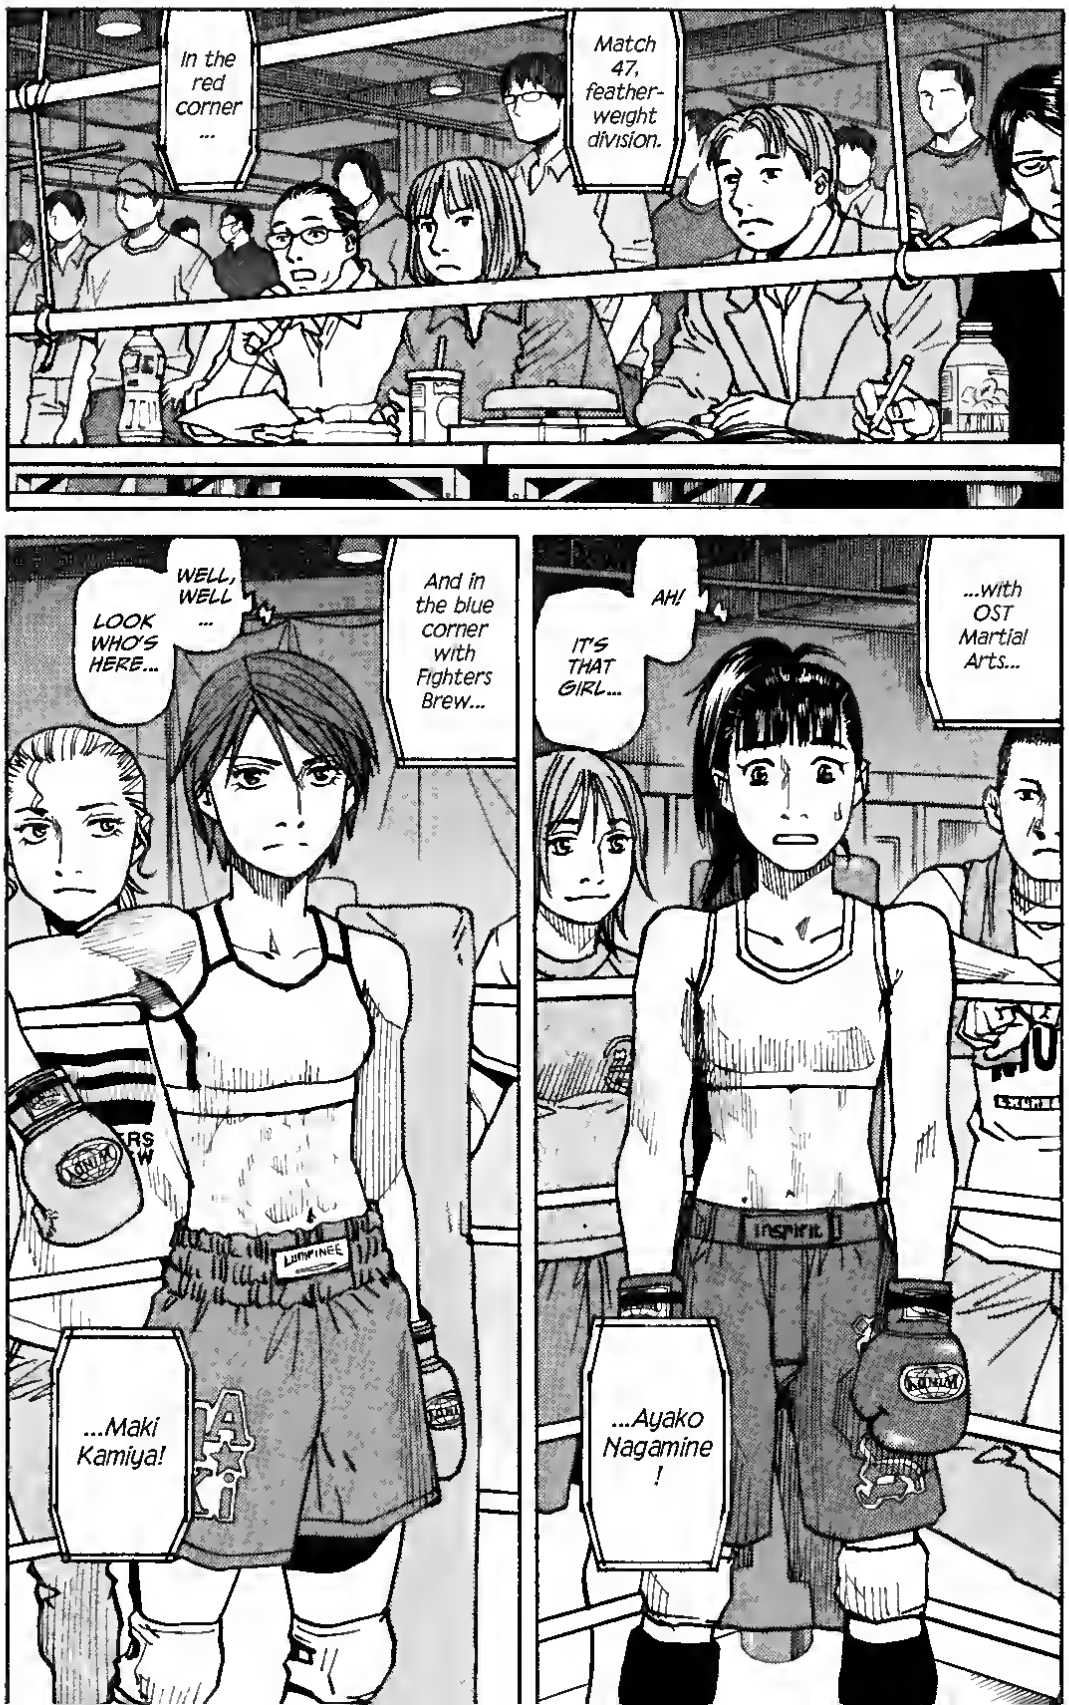
SWOOSH!
EXCUSE MEEEEE!
AYA! YOU'D BETTER NOT FREEZE UP.
LET'S GET YOU READY.
HEY, AYAKO!
FEELING CALMER ?



In the red corner ...
Match 47, feather-weight division.
WELL, WELL ...
LOOK WHO'S HERE...
And in the blue corner with Fighters Brew...
...Maki Kamiya!
AH!
IT'S THAT GIRL...
...with OST Martial Arts...
...Ayako Nagamine !

SHE DOESN'T HOLD HERSELF LIKE A KICK-BOXER...
170 CM, EH...?
MUST'VE BUILT HER SKILLS IN OTHER SPORTS.
LOOKS LIKE SHE'S COME A LONG WAY.
SHE'S FROM THE KANSAI RE-GION?
NOTHING ABOUT HER RECORD IN HERE, THOUGH...

WHOA!

THAT HIGH KICK...

THE FACT THAT SHE BACKSTEPPED INSTEAD OF SWAYING IS A BAD SIGN.

HUH?

SHE'S MAINTAINING THAT FORWARD TILT.

BUT...

I'VE GOT IT NOW...
WINDY

WHEN KAMIYA TRIED TO DEFEND HERSELF...
WILL IT BE THE BODY OR THE FACE...?
MAKI'S OPPONENT HAS BEEN DEFENDING AGAINST THE LEFT KICKS...
...AND GOING IN CLOSE FOR THE BODY.
...AND HER REACH IS ONLY GOING TO WORK AGAINST HER THERE.
SHE'D HAVE TO LAND A SHORT HOOK ON AN OPPONENT WHO'S COMING IN FROM A HEAD SLIP...

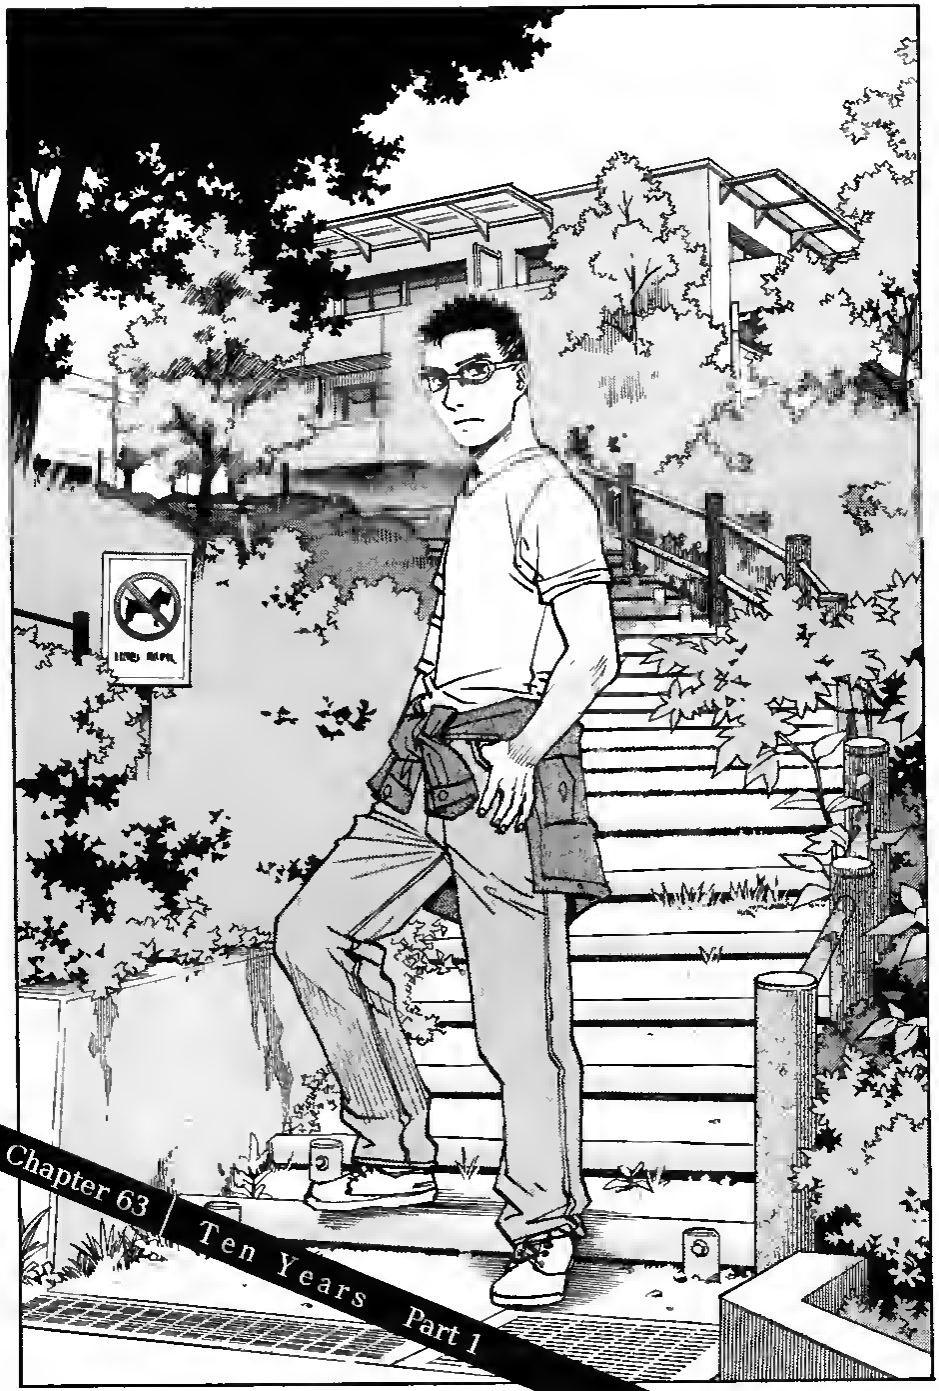
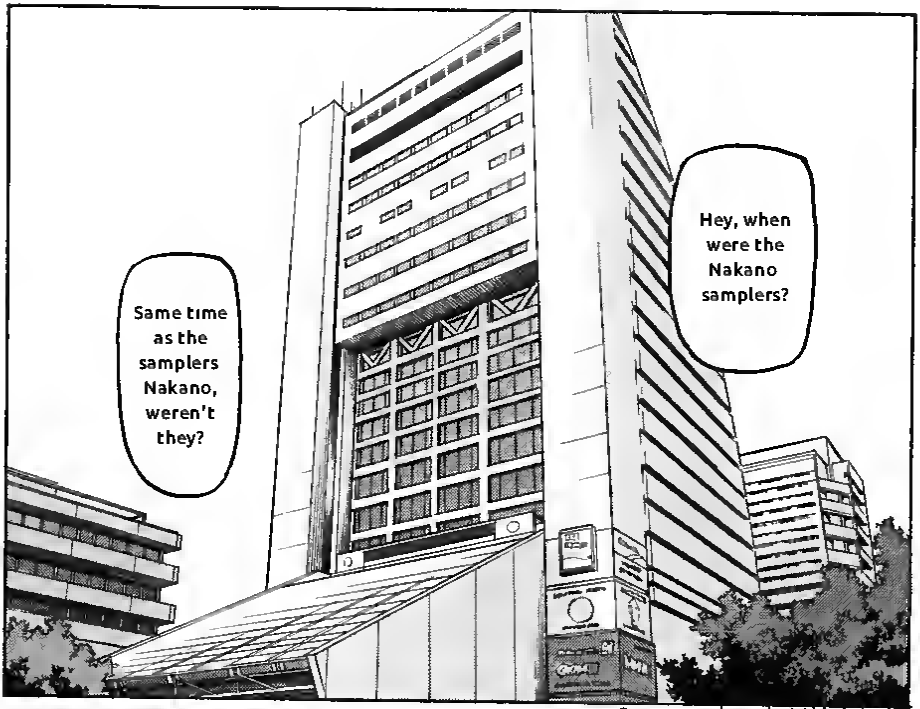
NOT FOR ANOTHER THREE WEEKS OR SO...
HE'S NOT UP TO COMING TO THE GYM JUST YET.
FURUYA, FURUYA.
HM?
WILL YUDAI ...
...BE COMING TO THE MMA CLASS?
NO...
...



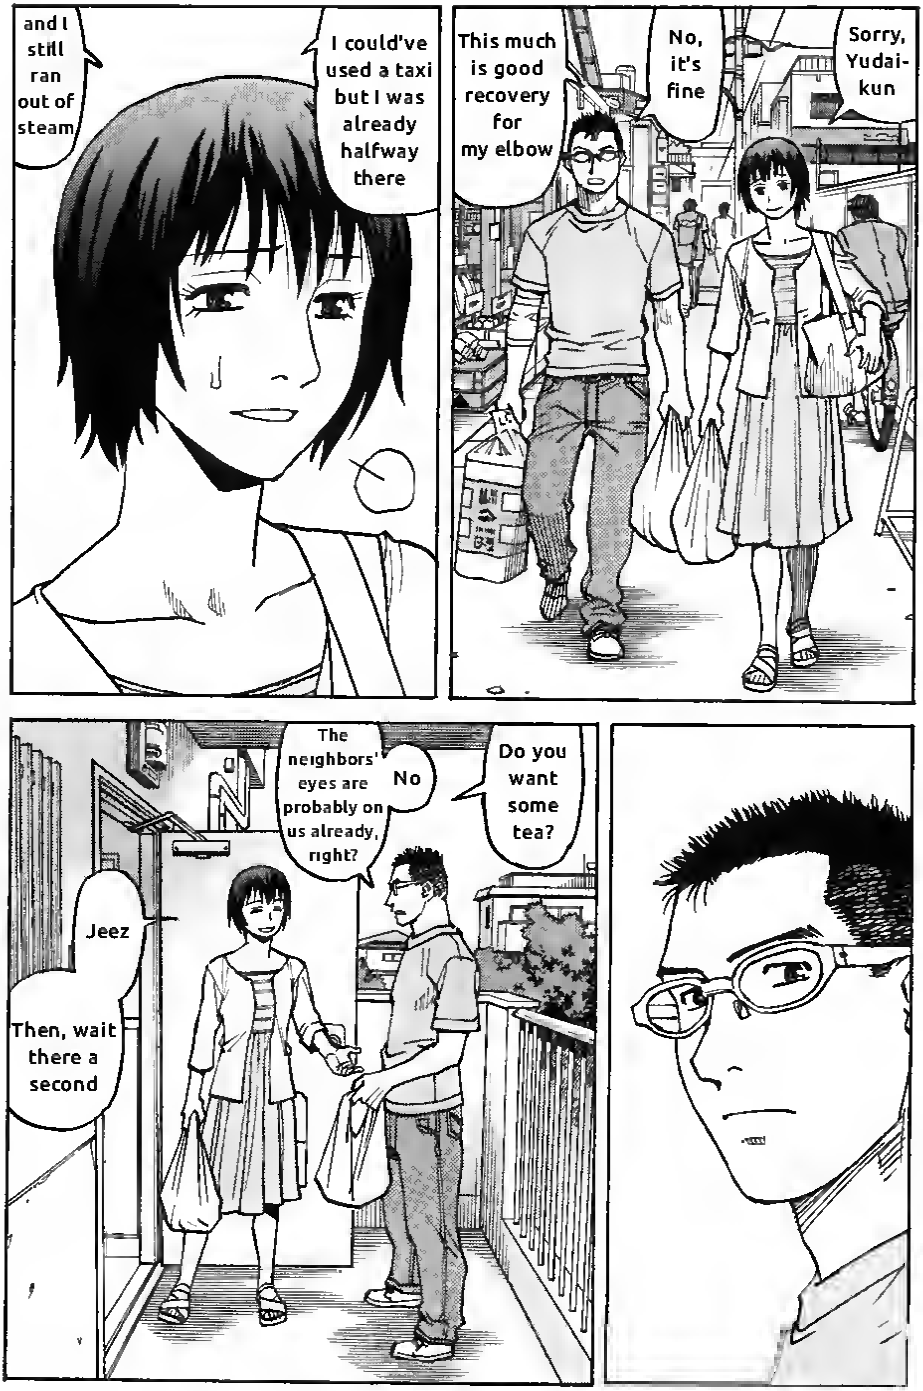
Chapter 63 | Ten Years Part 1



Sorry, no idea what this joke is

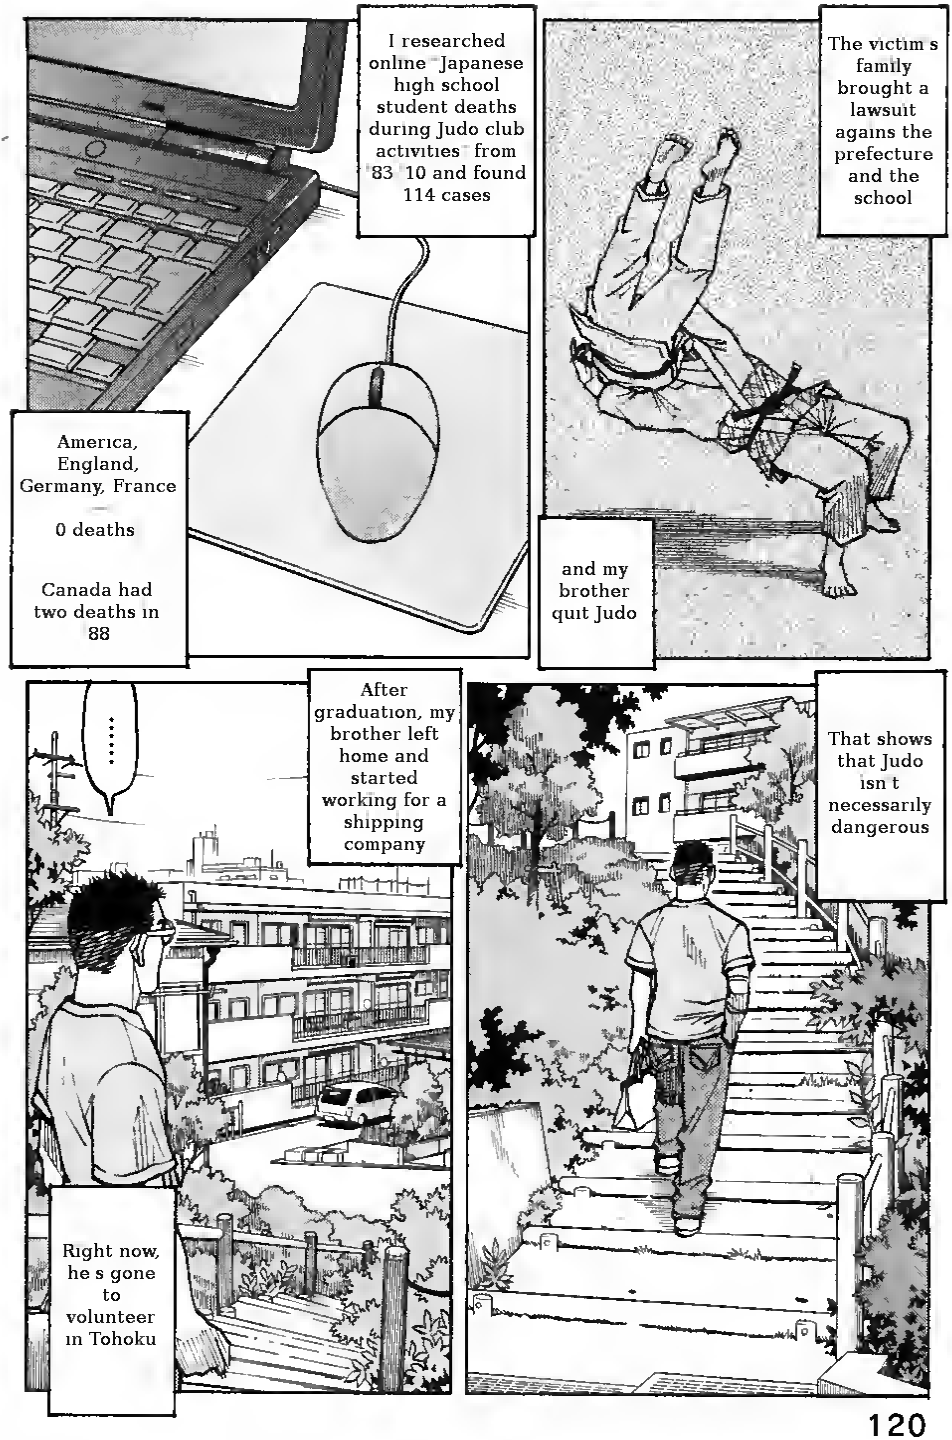
dinner and rice are the same word (gohan)
nori is seaweed

What, a girl?
Sorry, I've got to go
no
ah ...
right now?
yes
My brother's wife needs a hand
That sounds like a porn setup

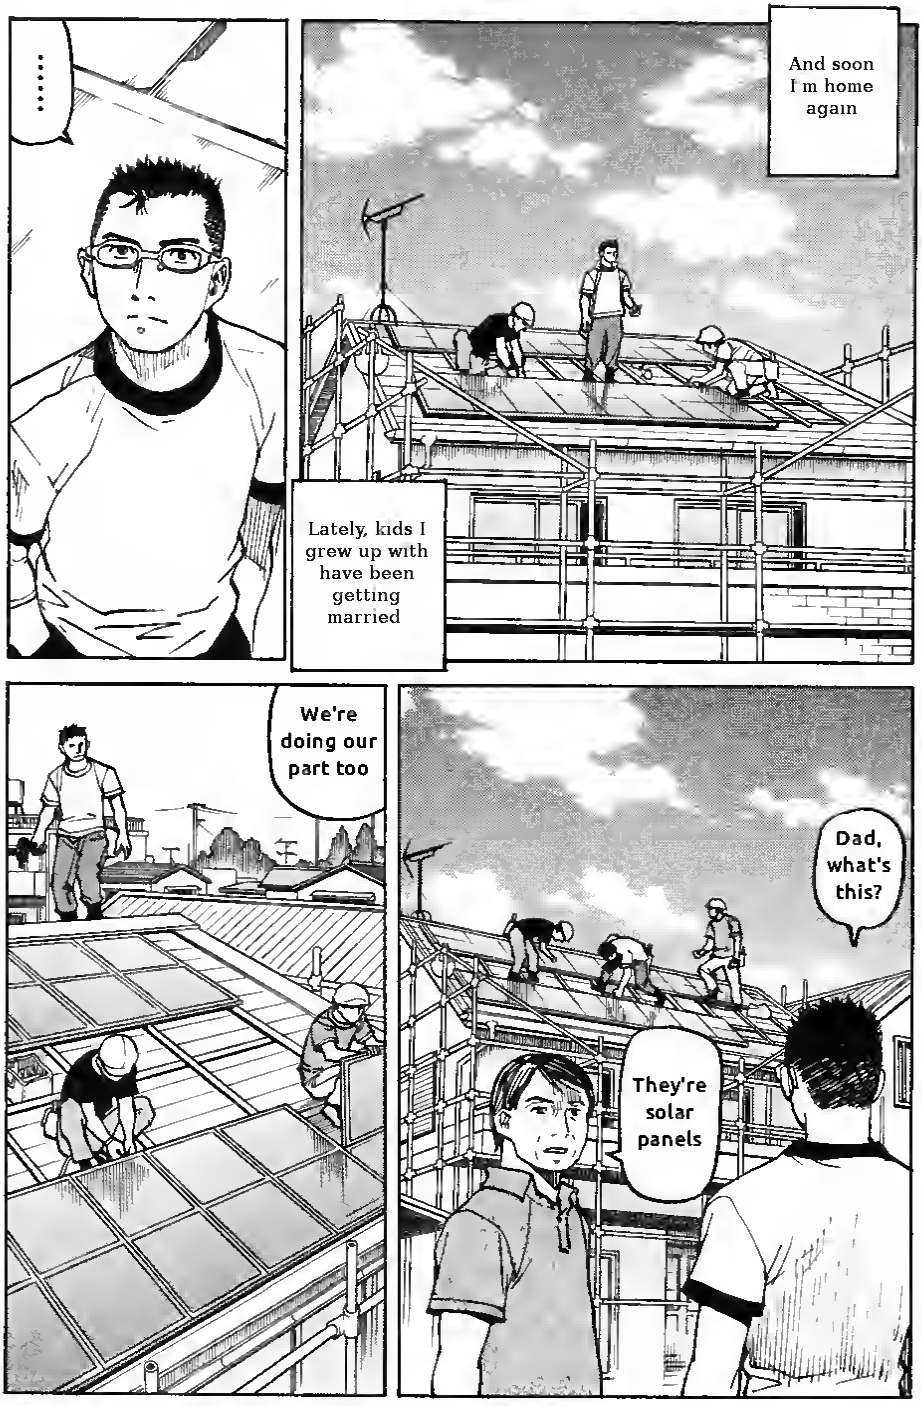


and I still ran out of steam
I could've used a taxi but I was already halfway there
This much is good recovery for my elbow
No, it's fine
Sorry, Yudai-kun
Then, wait there a second
Jeez
The neighbors' eyes are probably on us already, right?
No
Do you want some tea?

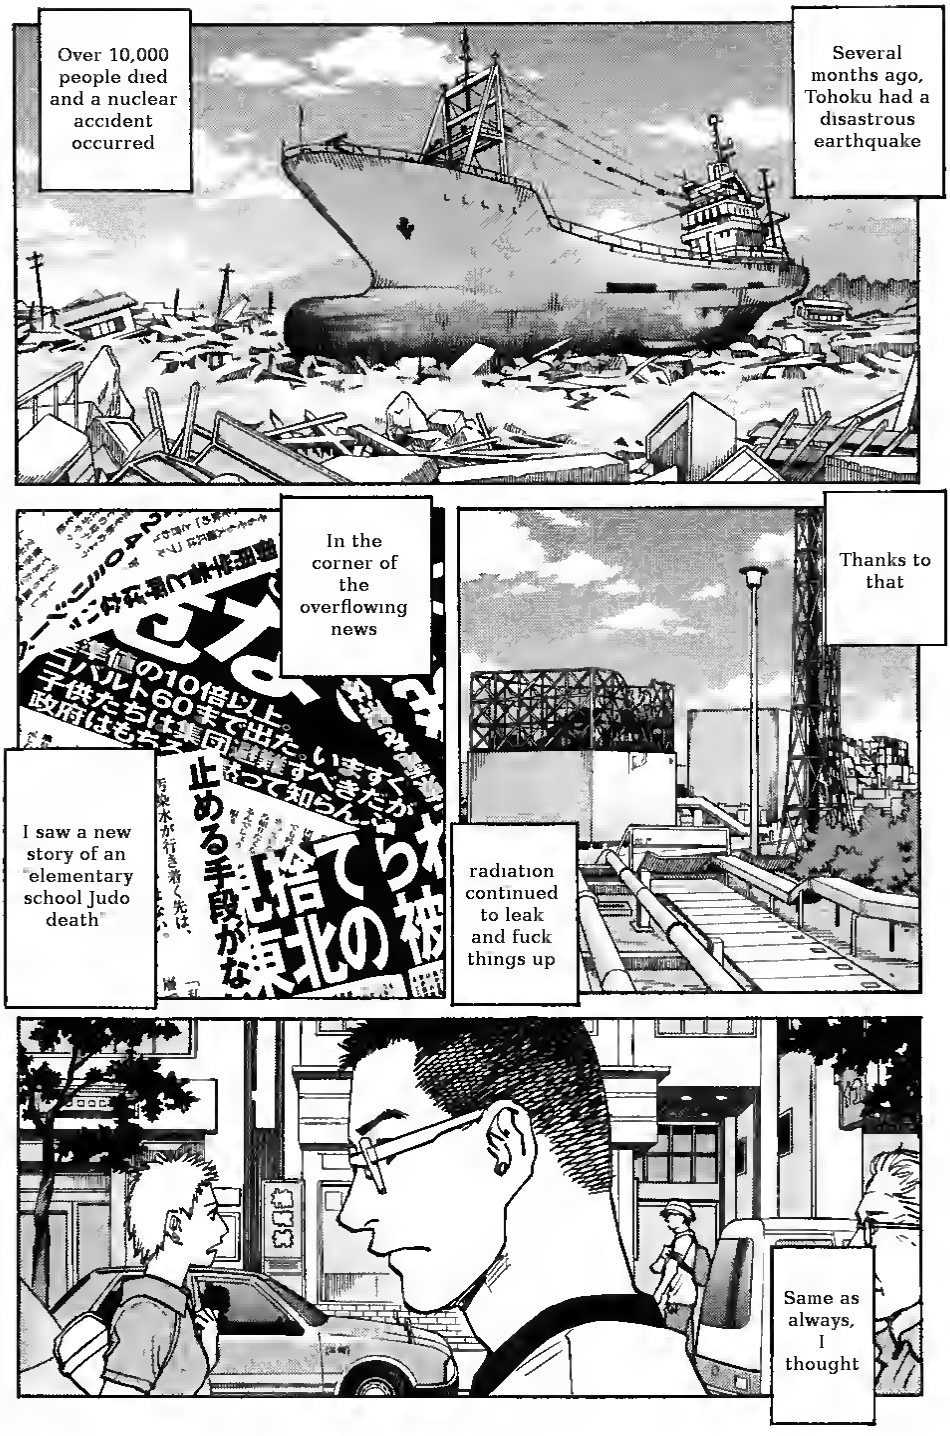
The day after tomorrow is your birthday, right?
This is...?
Happy 18th birthday
here
In Spring of my brother s senior year
He had to bear the responsibility for club member s serious cervical vertebrae injury



I researched online Japanese high school student deaths during Judo club activities from 83 10 and found 114 cases
America, England, Germany, France
0 deaths
Canada had two deaths in 88
The victim s family brought a lawsuit agains the prefecture and the school
and my brother quit Judo
After graduation, my brother left home and started working for a shipping company
Right now, he s gone to volunteer in Tohoku
That shows that Judo isn t necessarily dangerous

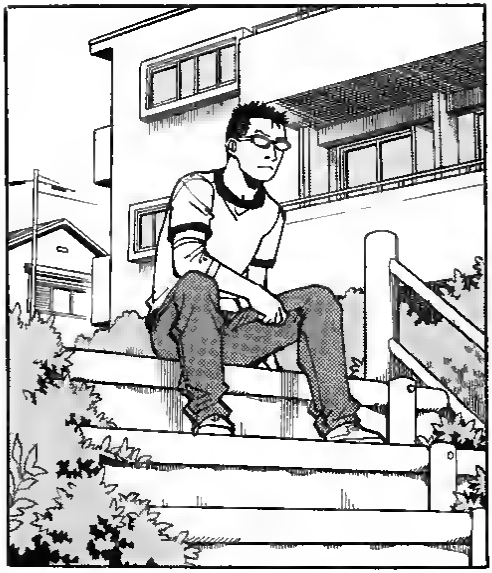


.....
And soon I'm home again
Lately, kids I grew up with have been getting married
We're doing our part too
Dad, what's this?
They're solar panels

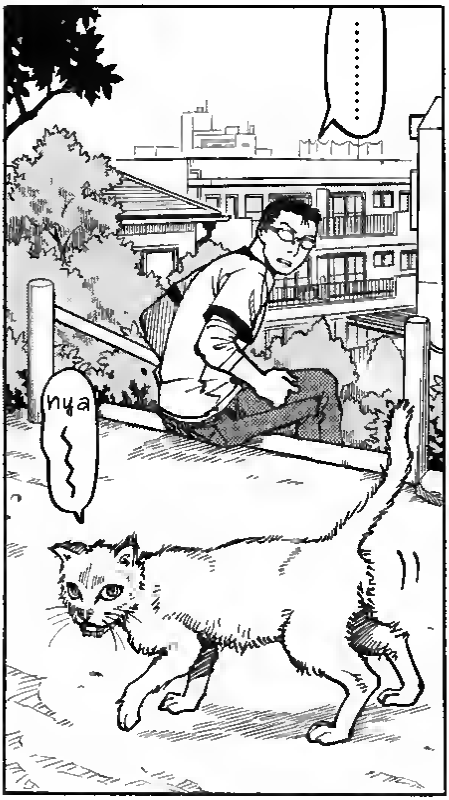


Over 10,000 people died and a nuclear accident occurred
Several months ago, Tohoku had a disastrous earthquake
In the corner of the overflowing news
I saw a new story of an "elementary school Judo death"
Thanks to that
radiation continued to leak and fuck things up
Same as always, I thought

What are you doing today?
Sorry, I have work

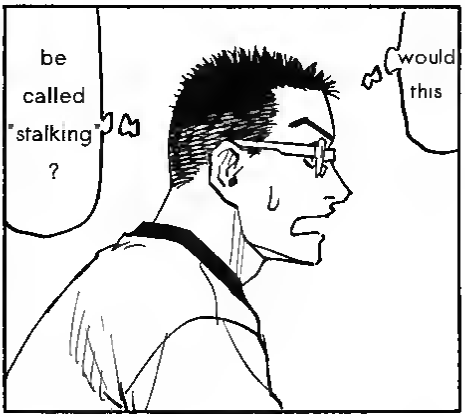


Not home yet, huh



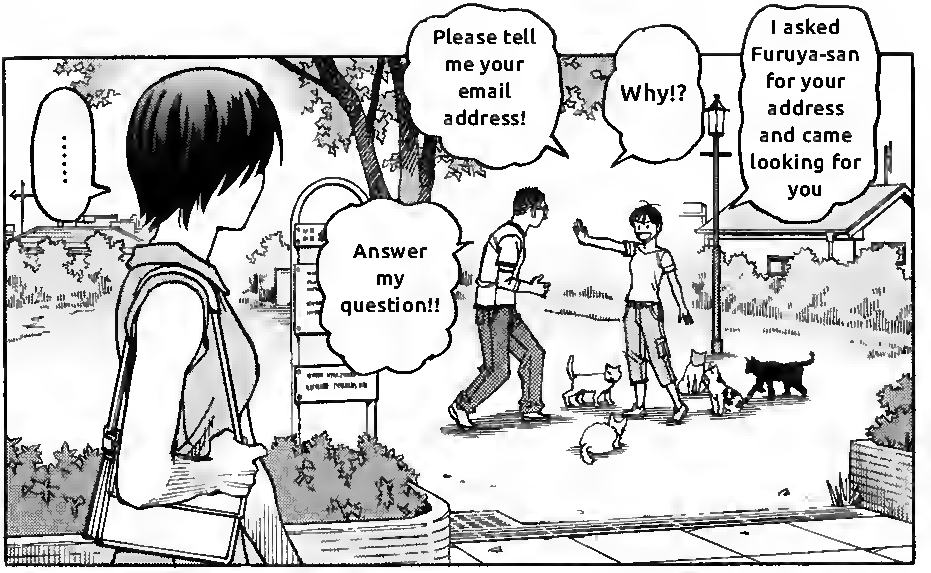
nya

huh?

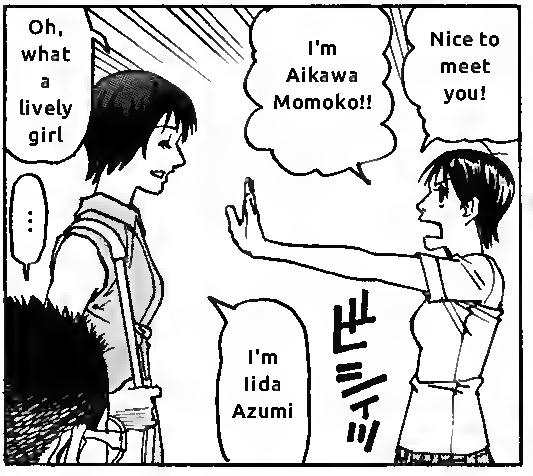


be called "stalking"?
would this

here
here
he
re
nya
nya
nya
Oh
senpai
!!
don't
"oh"
me
nya
nya
nya
What
are
you
doing
here!?
and
stop
feeding
them..
!
nya
ugh

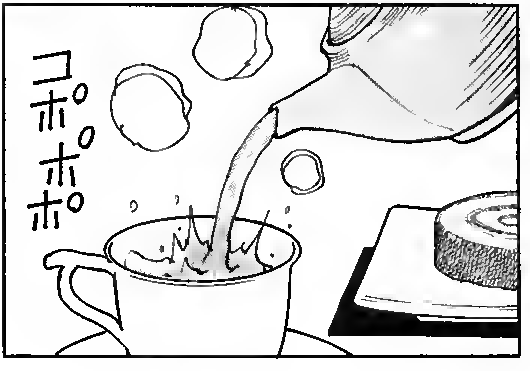


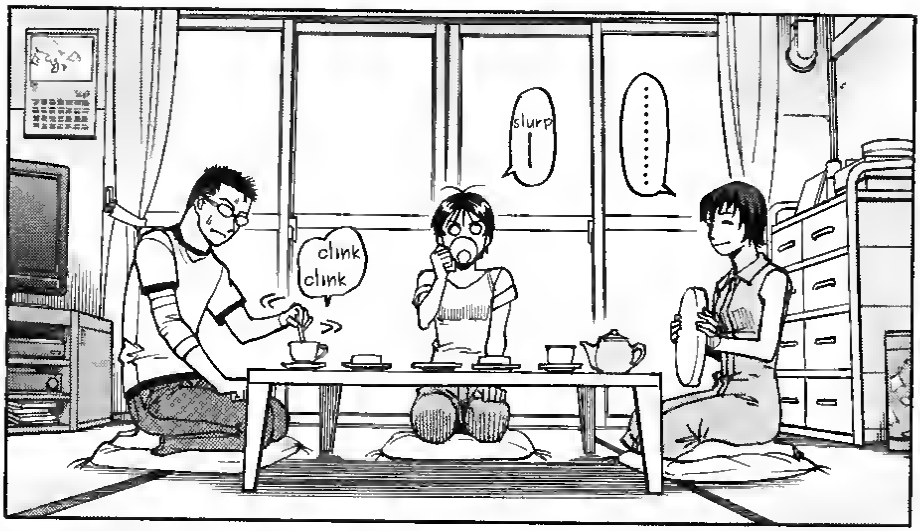
Please tell me your email address!
Why!?
I asked Furuya-san for your address and came looking for you
.....
Answer my question!!



Oh, what a lively girl
I'm Aikawa Momoko!!
Nice to meet you!
I'm Iida Azumi

Who's the girl?
Yuudai -kun?
UWA AAA AAA

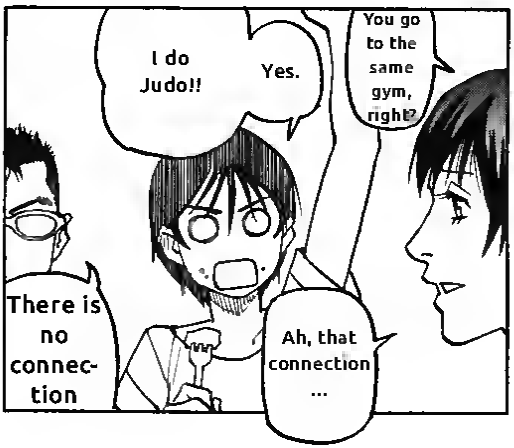




slurp
clink clink

He's not very honest
it must cause you lots of troubles
nod
nod
Please stop having this conversation

You're mistaken
getting such a cute girlfriend
Yuudai-kun has become such a smooth operator



I do Judo!!
Yes.
You go to the same gym, right?
There is no connec-tion
Ah, that connection ...

Senpai ...
What did you come here for anyway!?
Senpai are you going to quit Judo!?
That's just you
Please come by the gym soon
Everyone misses you
My injury is still ...
When it's healed !!
Why do you want me to do Judo?
It'll cheer you up !!

What's the use in being strong at martial arts
What good will it be to me in this country 10 years from now
Radiation is drifting towards Tokyo
Tokyo could be gone in 10 years for all I know
.....
What if I do keep practicing Judo
Then, what do you want to do?
guh
nuclear optimist
such a kid
I'm entering a tourna-ment
.....

No,
you'll probably win with your normal effort
mhm
If I win the adult galo class (48.5kg) tournament
senpai, please continue Judo too!
Why should I !?
You said it was a tourna-ment
but there's at most 4-5 entrants, right?
It'd be different if you won the open weight class
ah
Senpai, just now you said it!!

yeah
Then I'll be your witness
ehh!?
and you'll continue Judo, right?
Then I'll win the open weight class
huh?
빈
has it come to this?
. . .
why

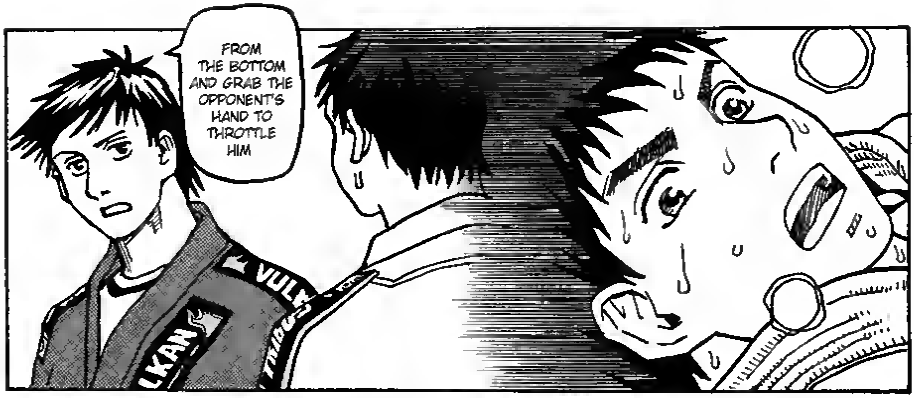
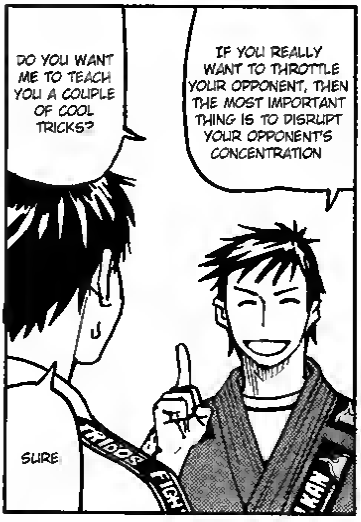
TAMIYA-SENSEI ALSO ENTERED AS A BROWN BELT,
IN THE END HE USED COLLAR CHOKE TO WIN!
WATANABE-SENPAI USED GRAPPLING AND DEFENSIVE MOVEMENTS,
JIU-JITSU
TO WIN WITH THE SCORE OF 9 TO 0
URASAWA-SENPAI USED ARMBAR FROM THE BOTTOM,
TO GET A SWIFT VICTORY

SEKI-SENPAI USED ACHILLES' ANKLE LOCK FROM IN THE GUARD
OSUGI-SENPAI WON BY POINTS.
MY SECOND ROUND.
MEGURU! DON'T JUST LIE THERE THE WHOLE TIME!
HURRY UP AND DECIDE ARE YOU GOING TO FLIP HIM OVER OR THROTTLE YOUR OPPONENT FROM THE BOTTOM?!



FROM THE BOTTOM AND GRAB THE OPPONENT'S HAND TO THROTTLE HIM

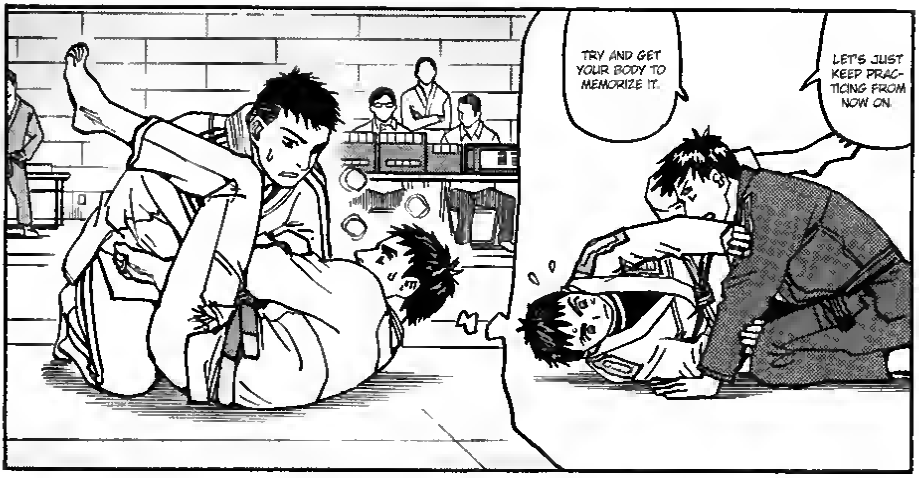
YOU DIDN'T HAVE ENOUGH STRENGTH TO FORCEFULLY DO THAT
I COULDN'T DO IT WHEN I WAS AT THE KANTO FINAL...
IF YOU CAN'T DO IT, THEN IT'S BEST IF WE CAN FIND A WAY.



DO YOU WANT ME TO TEACH YOU A COUPLE OF COOL TRICKS?
IF YOU REALLY WANT TO THROTTLE YOUR OPPONENT, THEN THE MOST IMPORTANT THING IS TO DISRUPT YOUR OPPONENT'S CONCENTRATION
SURE

THESE ARE SOME TECHNIQUES YOU CAN USE...
OR GOING TO USE FLIP
WA——

SEE IF YOU ARE GOING TO USE ARMLOCK



TRY AND GET YOUR BODY TO MEMORIZE IT.
LET'S JUST KEEP PRACTICING FROM NOW ON.

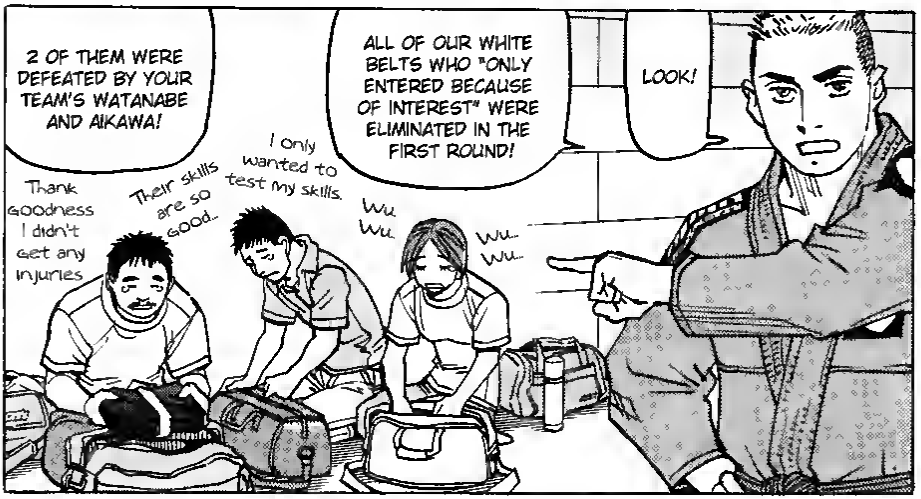
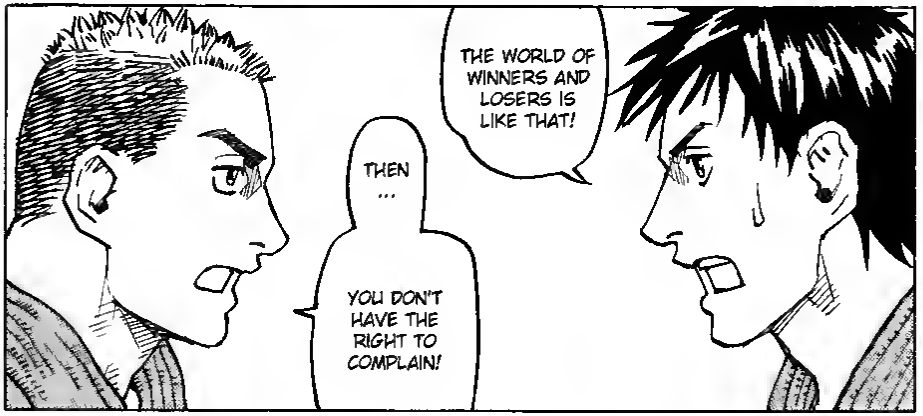
YOU GUYS ARE THE ONES THAT MADE A PROFESSIONAL WRESTLER...
EH?
WITH RANKS IN JUDO COMPETE AGAINST A WHITE BELT.
?



2 OF THEM WERE DEFEATED BY YOUR TEAM'S WATANABE AND AIKAWA!
ALL OF OUR WHITE BELTS WHO "ONLY ENTERED BECAUSE OF INTEREST" WERE ELIMINATED IN THE FIRST ROUND!
LOOK!
Thank Goodness I didn't get any injuries.
Their skills are so good.
I only wanted to test my skills.
Wu Wu
Wu... Wu...



THE WORLD OF WINNERS AND LOSERS IS LIKE THAT!

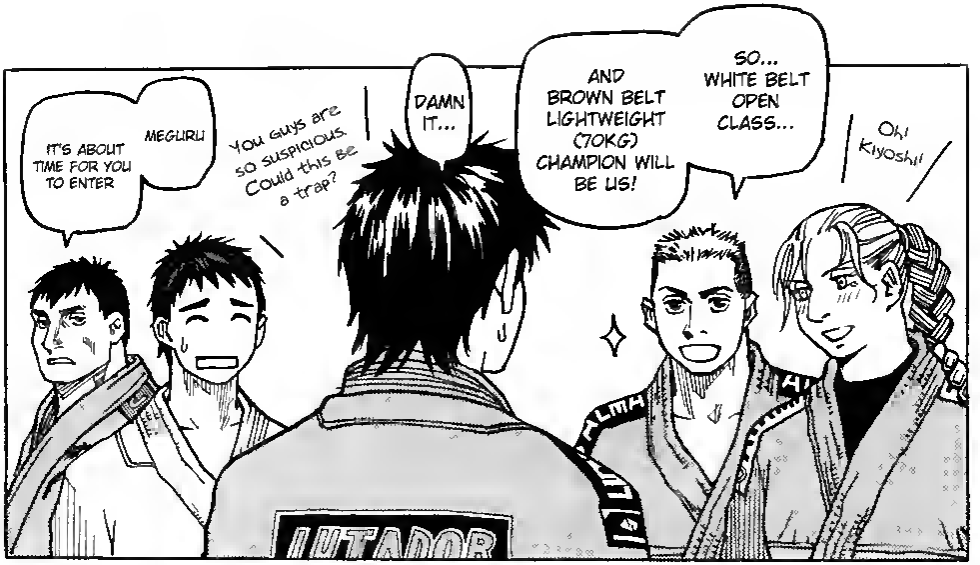
YOU DON'T HAVE THE RIGHT TO COMPLAIN!



IT'S ABOUT TIME FOR YOU TO ENTER

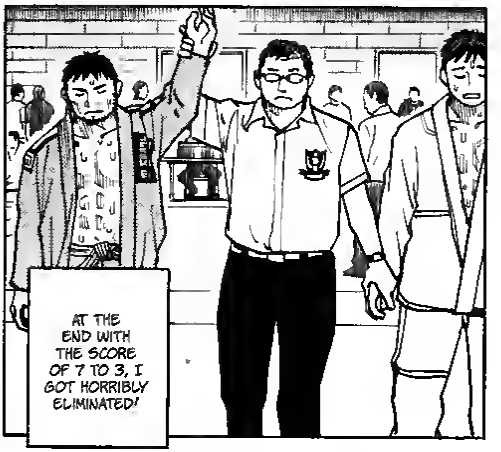
BY PLACING THE KNEE ON THE STOMACH YOU CAN EARN 2 POINTS
THE OPPONENT FROM THE SIDE..
OUCH...



AT THE END WITH THE SCORE OF 7 TO 3, I GOT HORRIBLY ELIMINATED!

WHAT HAPPENED IN THE LAST MATCH?
YOU FINALLY COMPLETED SIDE-MOUNT, BUT GOT FLIPPED OVER BY THE OPPONENT. IT'S SO EMBARRASSING
DID YOU LOSE MOMENTUM HALFWAY THROUGH?
YOU DON'T KNOW HOW TO DEFEND AGAINST KNEE MOUNT?
YOU'LL STAY IN WHITE FOREVER
.....
EH? YUIDA!
IT'S BEEN A WHILE...
BUT MY PREVIOUS TWO MATCHES
WERE WON IN SECONDS!
I DIDN'T SEE THEM.

IF BOTH OF THEM ARE ON THE SAME LEVEL OF SKILLS,
THEN THE ONE WITH THE PHYSICAL AND STAMINA ADVANTAGE WILL WIN
